SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon:

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon

These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon

These animals are average for the breed.

Grade D (Unclassified)—No Ribbon

These animals are undesirable breeding animals.

JUDGE: Milton Nagely, Abilene, Kan.

Do You Like Prices That Fit The Pocketbook Of The Practical Cattleman?

THE PIKE COUNTY SALE IS THE PLACE FOR YOU! CATTLE ARE SOLD IN GOOD, THRIFTY CONDITION, AND ARE BY SOME OF THE BEST BULLS IN THE CONTINENT.

Come to Pike County . . .

Bulls purchased in this sale have gone on to be top sires in other herds across the country. That is why this sale attracts cattlemen from a wide area.

The champion and top-selling bull in the 1965 Pike County Show and Sale. He sold to Hulén Payton, Moberly, Mo.

PIKE COUNTY

FAMOUS FOR SHORTHORNS SINCE 1870

Experienced Shorthorn breeders recognize the unusual opportunities offered in Pike County sales where the best productions of these herds are sold annually. A list of those who have purchased in this sale includes herds from a wide area. Men who get around and who know good cattle and the best values regularly appear on the lists of Pike County buyers. They, like scores of others, recognize the unusual opportunities offered here each year.

Just study the list of sires currently heading these herds. In almost every instance they were brought to Pike County at prices from \$2,000 to \$7,000. They include bulls imported from Scotland and Canada as well as the cream of American herds. They are sires that have won many championships and that are producing outstanding sons and daughters.

For more than 90 years, there has been an active group of Shorthorn breeders at work in Pike County. They have been diligently promoting Shorthorns and breeding top cattle. For generations Pike County has been known as a source of the kind that can strengthen herds anywhere.

The Club Calves - - -

Don't overlook the blue ribbon quality club calves selling at 12:15 p.m., just before the auction of breeding cattle. They are from the same bloodlines as the bulls and females in the sale. Similar calves have won for their exhibitors in the past. They can do the same for you.

HIGHLAND ROAN LADY — We wrote footnotes on all our heifers together but this heifer is so outstanding we thought we'd write a separate footnote on her. At the Pike County 1963 sale her maternal half-sister was reserve champion and sold to Carl Buckman. Highland Roan Lady won her class, and was a member of the first-prize get-of-sire at the Pike County Fair. She is the kind of heifer we very much hate to see leave our farm.

THE SMITHERS FEMALES

Jess Smithers is selling all of his heifers again this year as they were a popular attraction in 1965. They are a grand lot — all half-sisters by a good breeding son of Findowrie Augustus. Each of these heifers is strong-headed, good-boned, rugged and good colored. This is a group that anyone would be proud to own. They have been fed and grown out on pasture this summer and there should be no breeding problems. Smithers was awarded the McIlroy trophy last year for the best pair and they undoubtedly will make a strong challenge again this year. In this group are three granddaughters of Elmcrest Royal Banker, Smithers well-known old breeding bull that was grand champion of the Missouri State Fair. All of these heifers sell open.
